

Snowhawks Winter Trip 2027 by *Canadian Ski Vacations*

Saas Fee – Switzerland

January 22 to 30, 2027

Join the Snowhawks Ottawa community on our visit to the stunning glacial heartland of Switzerland's Grand Valais. Saas Fee is a spectacular ski area, set on and around the huge Fee Glacier, surrounded by the 4000-meter peaks of the Allalinhorn, Alphubel, and Dom. This may be the best ski resort scenery in the world; even the lift rides are memorable, as you gaze out at the cascading blue ice of the surrounding glaciers. We will also explore the ski areas of Saas Grund & Saas Almagell, a short shuttle away.

The charming, boutique [Dom Hotel](#) will become Snowhawks-Central for the week, offering breakfasts & dinners daily, exclusive Snowhawks use of the restaurant/bar in the evenings, WiFi throughout, and a central location in the village, though easily walkable to the main ski lift, or you can hop on the hotel's private shuttle.

Après-ski, explore the car free, pedestrian village of Saas Fee, where the old-world architecture of this classic Swiss mountain village survives intact. And mid-week, enjoy a one-day cultural tour with a visit to a local wine cellar, wine tasting & food sampling, and a guided tour of the lovely town of Brig and its stunning castle. We'll also enjoy a short, torchlit hike up to [Waldhus Bodmen](#) for dinner at this mountainside cabin.

Insurance

Trip Insurance is strongly recommended, whether Comprehensive (including Medical) or Cancellation/Interruption, as required. Some travelers have coverage to a certain limit as a benefit on their credit card; and note that Canadian Ski Vacations will *not* apply a surcharge to the base package price of your trip if paid by credit card. Canadian Ski Vacations does not endorse any individual insurer, nor process insurance policy payments; however, they refer their travelers to [Tugo insurance](#). You may also purchase a policy from any other 3rd-party supplier, and you should inform yourself of any deadlines for purchase of travel insurance coverage. Some insurers require policy purchase at time of booking; others allow a few days lag time to secure your policy.
